

Combined Institute of Medical Science and Research, Dehradun

List of Dissertation/Training Students

Year 2022

S. no.	Name	Course	Dissertation/training topic	Duration
1.	Prachi Singh	M.Sc. Microbiology	Antimicrobial Activity of Medicinal Plants	4 Month
2.	Rohit Rawat	M.Sc. Microbiology	Isolation of bacteria & phytochemical screening <i>in vitro</i> Evaluation of antibacterial potential of medicinal plant: a possible alternative in the treatment of gram positive bacteria & gram negative bacteria	6 month
3.	Prithwjit Dutt Gupta	BSc. Microbiology	Basic Laboratory technique of Microbiology	1 month
4.	Akansha Dhiman	M.Sc. Microbiology	Phytochemical screening and antibacterial activity of some Indian folk medicinal plants against bacteria isolated from soil and sewage water sample	3 Month
5.	Ritika Verma	M.Sc. Microbiology	Evaluation of Phytochemical constituents and anti-bacterial activity of herbal extracts against urinary tract bacterial isolates	3 Month
6.	Priyanka	M.Sc. Microbiology	Physico-chemical and microbial analysis of rispana sewage water and its effect on plant growth of moong bean plant	6 Month
7.	Sachin Shukla	M.Sc. Microbiology	Isolation and identification of multi-drug resistant <i>Mycobacterium Tuberculosis</i> from different patients sample	3 month

8.	Chetna	M.Sc. Microbiology	Isolation and identification of plant growth promoting Rhizobacteria (PGPR) and their effect on seed germination of Barley	3 month
9.	Angel Joshua	BSc. Microbiology	Basic Laboratory technique of Microbiology	1 month
10.	Preetismita Saikia	M.Sc. Microbiology	Antimicrobial drug resistance of bacteria isolated from chicken	1 month
11.	Urshila Naithani	BSc. Microbiology	Basic Laboratory technique of Microbiology	6weeks
12.	Ujjwala Naithani	BSc. Microbiology	Basic Laboratory technique of Microbiology	6weeks
13.	Deepanshi	BSc. Microbiology	Basic Laboratory technique of Microbiology	1 Month
14.	Shrestha Gupta	BSc. Microbiology	Basic Laboratory technique of Microbiology	1 Month
15.	Gargi Singh	BSc. Microbiology	Basic Laboratory technique of Microbiology	1 Month
16.	Amisha Saxena	BSc. Microbiology	Basic Laboratory technique of Microbiology	1 Month
17.	Himanshi Bharti	BSc. Microbiology	Basic Laboratory technique of Microbiology	1 month
18.	Aditi Goyal	BSc. Microbiology	Basic Laboratory technique of Microbiology	1 month
